How Often Does your State Measure Living Situation?

* Hispanic: Only use the "Hispanic" row under Race if data for Hispanic as an Ethnic Origin are not available

Living Situation Categories:

Private Residence: Individual lives in a house, apartment, trailer, hotel, dorm, barrack, and/or Single Room Occupancy (SRO). This is reported using either of the two categories.

Private Residence - Independent Living: individual has a stable housing with fixed address.

Private Residence - Dependent Living: individual has unstable housing manifested by frequent address change or roaming around families, relatives or friends for the primary purpose of finding shelter.

Foster Home: Individual resides in a Foster Home. A Foster Home is a home that is licensed by a County or State Department to provide foster care to children, adolescents, and/or adults. This includes Therapeutic Foster Care Facilities. Therapeutic Foster Care is a service that provides treatment for troubled children within private homes of trained families.

Residential Care: Individual resides in a residential care facility. This level of care may include a Group Home, Therapeutic Group Home, Board and Care, Residential Treatment, or Rehabilitation Center, or Agency-operated residential care facilities.

Crisis Residence: A residential (24 hours/day) stabilization program that delivers services for acute symptom reduction and restores clients to a pre-crisis level of functioning. These programs are time limited for persons until they achieve stabilization. Crisis residences serve persons experiencing rapid or sudden deterioration of social and personal conditions such that they are clinically at risk of hospitalization but may be treated in this alternative setting.

Children's Residential Treatment Facility: Children and Youth Residential Treatment Facilities (RTF's) provide fully-integrated mental health treatment services to seriously emotionally disturbed children and youth. An organization, not licensed as a psychiatric hospital, whose primary purpose is the provision of individually planned programs of mental health treatment services in conjunction with residential care for children and youth. The services are provided in facilities which are certified by state or federal agencies or through a national accrediting agency.

Institutional Setting: Individual resides in an institutional care facility with care provided on a 24 hour, 7 day a week basis. This level of care may include a Skilled Nursing/Intermediate Care Facility, Nursing Homes, Institutes of Mental Disease (IMD), Inpatient Psychiatric Hospital, Psychiatric Health Facility (PHF), Veterans Affairs Hospital, or State Hospital.

Jail/ Correctional Facility: Individual resides in a Jail and/or Correctional facility with care provided on a 24 hour, 7 day a week basis. This level of care may include a Jail, Correctional Facility, Detention Centers, Prison, Youth Authority Facility, Juvenile Hall, Boot Camp, or Boys Ranch.

Homeless: A person should be counted in the "Homeless" category if he/she was reported homeless at their most recent (last) assessment during the reporting period (or at discharge for patients discharged during the year). The "last" Assessment could occur at Admission, Discharge, or at some point during treatment. A person is considered homeless if he/she lacks a fixed, regular, and adequate nighttime residence and/or his/her primary nighttime residency is:

- A) A supervised publicly or privately operated shelter designed to provide temporary living accommodations,
- B) An institution that provides a temporary residence for individuals intended to be institutionalized, or
- C) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings (e.g., on the street).

Unavailable: Information on an individual's residence is not available.
