

Joint Commission/CMS Mock Survey Services

Joint Commission/CMS Mock Surveys for Inpatient Psychiatric Hospitals

Our consultants represent senior professionals with formal training and experience as Clinicians, Hospital Managers, Administrators and Surveyors for Centers for Medicare & Medicaid Services (CMS), The Joint Commission, Joint Commission Resources, and The Joint Commission International. Their decades of hands-on experience and proven track records have helped guide inpatient psychiatric hospitals to standards compliance for CMS Certification and Joint Commission Accreditation. We offer on-site and off-site evaluations and consultations.

Survey Process, Survey Management & Standards Training

Training on CMS and/or Joint Commission on-site surveys include typical schedules, technologies (e.g., tracers), interviews, citation and discussion of strategies for increasing the effectiveness of managing the survey process.

Mock Survey and/or Mock Tracers

Survey process run by former surveyors designed to closely simulate the experience of an actual survey process with the benefit of strategic 'time outs' for training purposes.

Survey Real-Time Backup

Former Joint Commission surveyor associate on special availability to provide survey management assistance and/or respond to standards questions during actual survey

Ongoing Compliance Plans

Customized 1-3 year plan and schedule of compliance maintenance activities.

NRI IS PLEASED TO ANNOUNCE A NEW PARTNERSHIP WITH FIELDS & ASSOCIATES, INC. TO ASSIST CLIENTS WITH THE JOINT COMMISSION, AND THE CENTERS FOR MEDICARE & MEDICAID SERVICES (CMS) SURVEY READINESS AND STANDARDS COMPLIANCE.
