

Joint Commission/CMS Compliance & Pre-Survey Readiness

Joint Commission/CMS Standards Compliance For Inpatient Psychiatric Hospitals

Our consultants represent senior professionals with formal training and experience as Clinicians, Hospital Managers, Administrators and Surveyors for Centers for Medicare & Medicaid Services (CMS), The Joint Commission, Joint Commission Resources, and The Joint Commission International. Their decades of hands-on experience and proven track records have helped guide inpatient psychiatric hospitals to standards compliance for CMS Certification and Joint Commission Accreditation. We offer on-site and off-site evaluations and consultations.

Comprehensive Assessments

Assessment and Systems Analysis to determine level of compliance of all applicable standards for your facility or program conducted by former Joint Commission or CMS surveyors.

Focused Assessments

Assessment of specific areas of standard compliance concern using process analysis, chart/document review, and/or tracers.

Standards Clarification and/or Training

Analysis and clarification of CMS and/or Joint Commission standards as they apply to psychiatric hospitals and consultative advice on applicability for implementation in your setting.
