

# Joint Commission/CMS Post-Survey Services

## Ongoing Support for Inpatient Psychiatric Hospitals Following a Joint Commission/CMS Survey

We strive to be your long-term partner in ongoing Joint Commission and Centers for Medicare & Medicaid Services (CMS) standards compliance. Our consultants have experience in standards compliance, mock surveys, and assisting hospitals to overcome The Joint Commission Preliminary Denial of Accreditation/Conditional Accreditation and CMS Immediate Jeopardy with psychiatric hospitals in more than 26 states.

### Ongoing Compliance Plans

We develop a customized 1 to 3 year plan and schedule of compliance maintenance activities to help the hospital maintain standards compliance and survey readiness between Joint Commission/CMS surveys.

### Improvement Assessments

We provide facilitation assistance and guidance with Root Cause Analysis or Failure Mode Effects and Criticality Analysis.
